

# Reckon Accounts Hosted Premium 2013

QuickBooks has been renamed Reckon Accounts.  
Same popular product, new name.

Accounts Hosted Premium offers fast online access anywhere, anytime on a Mac, PC, iPad or Android device. Benefit from complete accounting functionality and work simultaneously with your accountant to improve efficiency and accuracy.

## Simplicity

Reduce your IT burden: All you need is a web browser and a broadband connection.

Eases the compliance burden: Software upgrades and updates will occur automatically.

## Superior functionality

Payroll & employee management: Easily perform payroll tasks and email pay slips to employees.

Time billing & job costing: Track your employees time and use job costing to determine if projects are profitable or not.

Advanced inventory management: Track and reconcile your inventory movements and costs of components and assembled products. Plus set up order alerts and use multiple units of measure.

## Efficiency

Simultaneous access: Increase efficiency and accuracy by allowing up to 200 employees and your accountant or bookkeeper to work simultaneously.\*

## Monitor performance

More than 200 advanced reports: Access more than 200 customisable reports and graphs to help better manage your business. You can even generate statutory<sup>†</sup> and multi-company reports.

## Other features at a glance

- Unlimited company data files
- Portable company file
- Multiple price levels per item
- Multicurrency enabled
- Microsoft Office integration
- Estimates, quotes & job costing
- Invoice, pay bills & track expenses
- Customisable Company Snapshot
- 21 Industry Chart of Accounts
- Import bank statements<sup>1</sup>
- Track GST
- Unlimited transactions
- Integrated online data backup<sup>2</sup>
- Daily data backup

\* Licences must be purchased for each user. 1. Check with your financial institution to see if they support this feature. 2. Additional fees and charges may apply. One licence for Reckon Backup is included with all current subscriptions and renewals for Accounts Hosted. This backup licence runs concurrently for the same period as the Hosted product.

### Annual Licence includes

- Unlimited free weekday technical phone support
- Free products upgrades and updates.

At the end of 12 months, you will need to renew your annual licence to continue using the software.
